ABOUT ISPE DACH

ISPE DACH is the official Affiliate of the International Society for Pharmaceutical Engineering in Germany, Austria and Switzerland. We bring together professionals, companies, and decision-makers in the pharmaceutical industry to drive innovation, compliance, and quality in pharmaceutical engineering.

MISSION

We promote knowledge sharing, regulatory alignment, and best practices in pharmaceutical engineering.

REACH

Our network spans professionals from production, quality, validation, and engineering across the D/A/CH region.

TARGET AUDIENCE

We address experts and leaders from pharma companies, suppliers, and authorities in GMP-regulated environments.

NEWSLETTER INSIGHTS

The ISPE DACH newsletter is a monthly mailing that informs our community about current industry trends, upcoming events, and key activities in pharmaceutical engineering. Our newsletter is a direct channel to professionals and decision-makers in the pharmaceutical sector.

METRIC	VALUE
Frequency	Monthly (12 issues per year)
Subscribers	8'483 professionals in the D/A/CH region
Average Open Rate	Approx. 35%

Liebe ISPE Mitglieder,

in den kommenden Monaten erwarten uns zahlreiche spannende Events im D/A/CH Bereich, die von unseren Communities of Practice (CoPs) organisiert wurden. Diese Veranstaltungen bieten hervorragende Gelegenheiten zum Netzwerken und zum Austausch von Fachwissen. Ob Workshops, Seminare oder Networking-Events – es ist für jeden etwas dabei.

Ein besonderes Highlight ist die ISPE Europe Annual Konferenz in London. Auch dieses Jahr sind wieder aktive ISPE D/A/CH Mitglieder im Programmkomitee vertreten und tragen zur Gestaltung eines spannenden und informativen Programms bei. Wir freuen uns darauf, viele von Ihnen dort zu sehen und gemeinsam interessante Diskussionen zu führen. Nutzen Sie diese Gelegenheit, um sich mit Kollegen aus ganz Europa zu vernetzen und neue Einblicke in die neuesten Entwicklungen unserer Branche zu gewinnen.

Wir freuen uns auch, Ihnen mitteilen zu können, dass wir einen neuen Mitgliederrekord in der D/A/CH Affiliate erreicht haben – mit insgesamt 1631 Mitgliedern! Dies ist ein großartiger Meilenstein und zeigt das wachsende Interesse und Engagement in unserer Gemeinschaft.

Gunter Baumgartner
 Vorstand ISPE D/A/CH
 SVP, Head Global Engineering
 Takeda Pharmaceuticals International AG

LINKEDIN INSIGHTS

ISPE DACH uses LinkedIn to reach and engage professionals in pharmaceutical engineering across the DACH Region. Through consistent, topic-driven content, we offer advertisers targeted visibility within a niche, relevant pharmaceutical engineering community.
